INDEPENDENT AUDITOR'S REPORT

To,
The Members of
M/S V.I.S.V. STEELS COMPANY PRIVATE LIMITED
CIN: U27106DL2006PTC147049

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **M/S V.I.S.V. STEELS COMPANY PRIVATE LIMITED,** which comprise the Balance Sheet as at **31st March 2025** and the Statement of Profit and Loss for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at **31st March 2025**, and it's profit for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Accounting (AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under the Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matter stated in section 134(5) of the Companies Act, 2013 with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position & financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a

Garg & Garg Chartered Accountants

high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on other Legal and Regulatory Requirements

1. Requirements of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, are not applicable on the Company.

2. As required by section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

b) The Balance Sheet & the Statement of Profit and Loss dealt with by this report are in agreement with the books of account.

c) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

d) On the basis of written representations received from the directors as on **31st March, 2025**, taken on record by the Board of Directors, none of the directors is disqualified as on **31st March 2025**, from being appointed as a director in terms of Section 164(2), of the Act.

e) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

The Company does not have any pending litigations which would impact its financial position.

i. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

ii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.

1. General Information

V.I.S.V. STEELS COMPANY PRIVATE LIMITED (the 'Company') is a Private Limited Company, domiciled in India with its registered office located at 15. IST FLOOR PUSA ROAD, KAROL BAGH , NEW DELHI, Delhi, India - 110005.. The Registration Number of the Company is U27106DL2006PTC147049 . The Company is engaged in the business of Quarrying of Stones (marble/granite/dolomite) sand and clay.

2. Significant Accounting Policies

Basis of Preparation of Financial Statements

The Financial Statements of the Company have been prepared and presented in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP'). It comprises the Accounting Standards notified u/s 133 read with section 469 of the Companies Act, 2013. The accounting policies have been framed, keeping in view the fundamental accounting assumptions of Going Concern, Consistency and Accrual, and also the basic considerations of Prudence, Substance over form, and Materiality. Based on the nature of products and the time between acquisition of assets and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. These financial statements have been prepared on historical cost basis except certain items like Financial Leases and Defined Benefit Plans are measured at fair value.

Use of Estimates

The preparation of financial statements requires the management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent but the actual results may differ from them. They are reviewed on an on-going basis and any revision to accounting estimates is recognised prospectively in current and future periods. Accounting estimates and assumptions that have a significant effect on the amounts reported in the financial statements include:
i) Net Realisable value of items of Inventories
ii) Useful life and Residual value of Property, Plant and Equipment and Intangible Assets
iii) Defined Benefit obligations
iv) Deferred Tax asset or liability
v) Provisions for Trade Receivables
vi) Other Provisions and Contingencies

Property, Plant and Equipments

Property, plant and equipments are initially recognised at cost. Cost includes purchase price, taxes and duties and other costs directly attributable to bringing the asset to the working condition for its intended use. However, cost excludes duties and taxes wherever credit of such duties and taxes is availed. It is thereafter carried at its cost less accumulated depreciation and accumulated impairment losses, if any.
Depreciation is provided under the written-down' method as per the useful life specified in Schedule II to the Companies Act, 2013. Residual values of assets are measured at not more than 5% of their original cost. For assets added or disposed during the year, depreciation is charged on pro-rata basis from the date of addition or till the date of disposal.

Impairment of Assets

At the end of each reporting period, the carrying amounts of Property, Plant & Equipment, and Intangible assets are tested for impairment. An Impairment loss is recognised for an amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and Value-in-use. Value-in-use is the present value of future cash flows discounted using a rate which reflects the current market rates and the risks specific to the asset.
For the purposes of assessing impairment, assets are grouped at the lowest levels (cash-generating units) for which

Garg & Garg Chartered Accountants

independent cash inflows can be identified. Impairment losses, if any, are recognised in the Statement of Profit and Loss and included in depreciation and amortisation expenses.

Investments

Long-term investments are valued at cost less provision for diminution in value, if the diminution is other than temporary. Current investments are valued at lower of cost and fair value. Gain or loss arising on the sale of investments is computed as a difference between carrying amount and the proceeds from sale, net of any expenses. Such gain or loss is recognised in the Statement of Profit and Loss.

Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a 'First In First Out' basis.
Cost of raw materials and stores and spares includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. The aforesaid items are valued at net realisable value if the finished products in which they are to be incorporated are expected to be sold at a loss. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the
ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Trade Receivables and Loans and Advances

Trade Receivables and Loans and Advances are presented after making adequate provision for any shortfall in their recovery. The provision and any subsequent recovery is recognised in the Profit and Loss statement. Bad debts are written off when they are identified.

Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase are considered to be cash equivalents.

Provisions and Contingent Liabilities

A Provision is recognised when the entity has a present obligation as a result of past event and it is probable that an outflow of resources will be required and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.
Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. A Contingent asset is neither recognised nor disclosed.

Revenue Recognition

Revenue from sale of goods is recognised when control and significant risks and rewards of ownership of the products being sold is transferred to the customer. This is generally fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. Revenue is measured on the basis of contracted price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Previous experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.
Interest income is recognized on accrual basis, adopting a time proportion method, taking into account the amount outstanding and the rate applicable. Dividend income on investments is accounted for when the right to receive the income is established. Export incentives are recognised on accrual basis to the extent the management is certain of the income.

Chartered Accountants ★ Garg & Garg ★

Employee Benefits

Short-term employee Benefits

Benefits such as salaries, wages and performance incentives are charged to the statement of profit and loss at the actual amounts due in the period in which the employee renders the related service.

Defined Contribution Plans

Payments made to defined contribution plans such as provident and pension fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees.

Defined Benefit Plans

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. Actuarial gains and losses are recognised immediately in the statement of profit and loss. The fair value of the plan assets is reduced from the gross obligation under the defined benefit plan, to recognise the obligation on net basis.

Other Long-term Employee Benefits

Other long-term employee benefits include leave encashment. Leave encashment is recognised as an expense in the statement of profit and loss as and when it accrues on actuarial basis.

Taxes on Income

Income tax expense for the year comprises of current tax and deferred tax.

Current tax

Current tax is the estimated amount of tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date. Minimum Alternate Tax (MAT) is accounted as Current tax when the taxes calculated as per Book profits are greater than the taxes calculated as per normal provisions of Income Tax. Credit for such MAT is availed when the entity is subjected to normal tax provisions in the future. MAT credit Entitlement is recognised as an asset based on the management's estimate of its recoverability in the future.

Deferred tax

Deferred tax is recognised in respect of timing differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised except for deferred tax assets in respect of tax losses, where they are recognised only to the extent the management is virtually certain as to the sufficiency of future taxable income. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Earnings per Share

In determining earnings per share, the Company considers the net profit after tax attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of equity shares outstanding during the year. The number of equity shares used in computing diluted earnings per share comprises weighted average number of equity shares considered for deriving basic earnings per share and also weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.
