INDEPENDENT AUDITOR'S REPORT

To the Members of V.I.S.V. ALMUNUM COMPANY PRIVATE LIMITED

Opinion

I have audited the accompanying *standalone financial statements* of **V.I.S.V. ALMUNUM COMPANY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, its **LOSS** and its cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit of the Financial Statement in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. My responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Material Uncertainty Related to Going Concern

I draw attention to Note 1(A) to the financial statements, which indicates that the Company's net worth is written off against the incurred losses as at the year ended under review and as of that date, the Company's net worth is Rs. NIL (Previous year Rs. 3,000.44). However, the management of the Company expects to meet its financial obligations from the directors or their relatives, as may be required to sustain its operations on a going concern basis. Refer "Note 1(A)" to Significant accounting policies.

The above factor cast a significant uncertainty on the company's ability to continue as a going concern. Considering the above proposition, the company has prepared the financial statements on a going concern basis.

My opinion is not modified in respect of these matters.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the Board Report and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement in this Board Report, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards ("AS") specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
